September 25, 2017

Hi,

The Friends of Lake Anna State Park (FOLASP) **membership year** runs from July 1 of one year to June 30 of the next. We sincerely hope that you will help us continue to make a positive difference at Lake Anna State Park through **tax deductible membership dues and donations. The annual dues for the three membership categories remain: individual - $20; family - $25; and business - $50.**

Our **tax deductible membership dues and donations** help pay for the infrastructure projects we do at Lake Anna State Park and we are truly making a needed difference within the Park's boundaries. Since FOLASP's inception in 2001, we have contributed in excess of $250,000 in infrastructure improvements that would not otherwise have been available to the Park. This number does not include the dollar value of volunteer hours.

During the coming year, we will continue our focus on adding infrastructure to help enhance park visitor experiences and helping to expand the park's interpretive programs. Our signature infrastructure project for this year will be the installation of an American Disabilities Act (ADA) compliant Kayak and Canoe Launch ramp in Ware Creek near Picnic Area B. When completed, this will be the only one of its kind on Lake Anna.

We also hope to improve our communications about happenings at the park through our Facebook page. Please visit "Friends of Lake Anna State Park" on Facebook, "like us", and check periodically for updates.

The "Bluebird Trail Monitoring Program" that we began at the Park in 2009 has been quite successful. We will continue offering fully assembled Virginia Bluebird Society approved nesting boxes with predator guards for sale at $50.00 per box. After we receive your order, we will notify you when your box(es) are ready for pickup.

Please send your membership dues and/or donation today! Make your check **payable** to Friends of Lake Anna State Park. A **pre-addressed envelope** is enclosed for your convenience.

Thank You!

Jo Finch, President
Friends of Lake Anna State Park
