Exciting News!!!

The Virginia Association for Parks will be holding a LOBBY DAY this Tuesday January 31, at the Virginia General Assembly.

We will meet at the Pocahontas Building lobby at 9:00 a.m.

We will provide you agenda "One Pager" documents and briefing materials to take with you, as we visit our Legislators.

We will divide into teams and head out to speak with our Legislators to make the BIGGEST IMPACT that we can, in supporting Virginia State Parks.

I hope that you will join us Tuesday for this very important event.
